***PRESIDENT'S MESSAGE***

Presidents Message

We have several projects on the agenda for this year. The large grandstand by the race track will be enclosed on the back and ends and hand railings installed in the aisles. New fencing and gates will be installed as needed and new hand railings in the pulling ring.

A new addition will be made to the poultry building. Other projects include a lot of paint, new windows, electrical upgrades and road improvement.

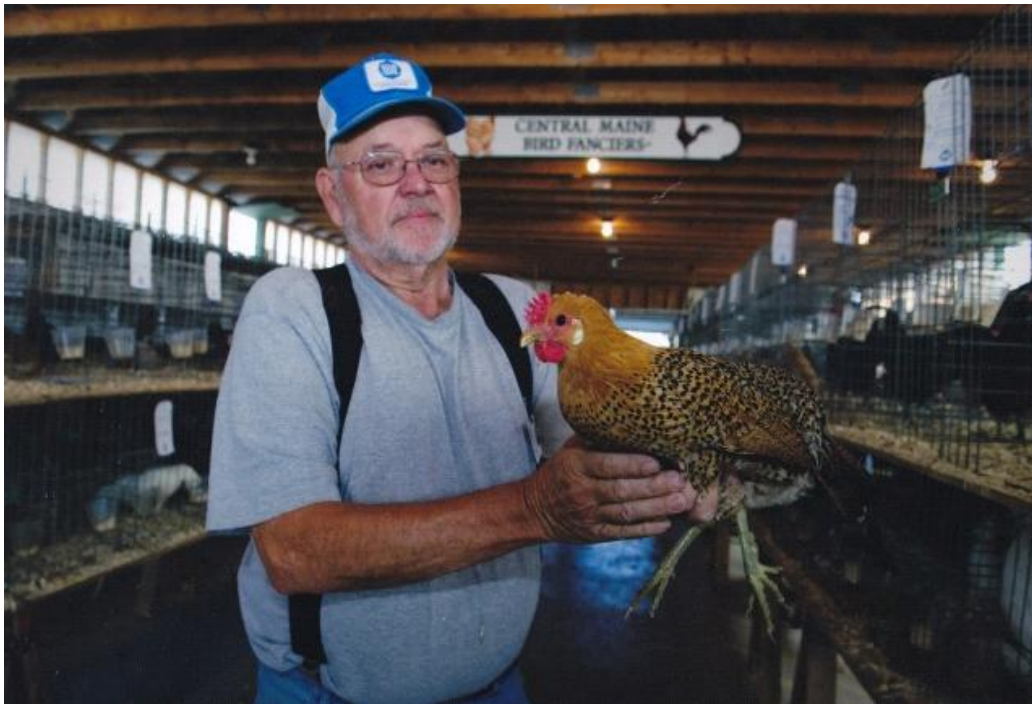

Certainly, our crew will be busy all summer to insure that we'll be ready for the big event in August. We all continue to work hard to help keep our fair one of the best in Maine and beyond. Thanks all of you for your support.

Tom Foster

AUSTIN J. BRANN SR.  
Trustee and Superintendent of Poultry  
August 11, 1939 –January 28, 2016

Austin first attended the Windsor Fair at the age of 14 days old. He caught the bug early and attended every year from that time forward. He wore many hats from time to time and finally wound up as Superintendent of Poultry and became a trustee in 1999. He will be missed by many of his friends and fairgoers. The poultry barn just won't be the same. The Central Maine Bird Fanciers Club that Austin co-founded was a huge part of his commitment. He lobbied the fair for the nice new poultry barn and many champion birds passed through that building under his care. We will certainly miss Austin's friendliness and his dedication. As is said, "They don't make them like that anymore," God rest his soul.

## **2016 Windsor Fair Agricultural Educational Exhibit**

One of the primary missions of any Agricultural fair is to educate the general public as to the contributions of the family farm in today's world. Agriculture plays a vital role in today's society that some people do not understand. The Windsor Fair is committed to being a leader in providing Agricultural Education to our fairgoers.

Exhibiting cattle and livestock at the fair is a prime opportunity to educate the public about agriculture and where food and fiber comes from. It also gives a face to local farmers who supply these essential commodities.

We have created an 'Educational Exhibits' competition in which all of our exhibitors can participate. The contest is open to our Dairy, Beef, Sheep, Goat and Show Oxen and Steer Exhibitors. The Windsor Fair has instituted a series of premium payments that we hope will encourage you, our exhibitors, to share the wealth of knowledge and experience that is part of your day to day life with our uninformed fair-going public.

An educational exhibit can be part of the livestock exhibitor's display and can include scheduled demonstrations in our designated area. Exhibitors can create a display which is useful in delivering positive messages about agriculture and farming. The topics can be endless. Some examples include: different breeds of cattle or livestock; how much hay, water and grain an animal consumes; the number of dairy farms, or milk cows and heifers are in your county or state; the economic impact of dairy/beef/sheep farming in your state; the difference between a heifer, bull and calf; why some farms dock tails; careers in agriculture; the history of dairy farming; etc. Why not have an educational display about all the wonderful benefits livestock manure has, from fertilizing the soil to generating electricity. Engage the public passing through your isle in a dialogue about your farm and agriculture in Maine. Educational exhibits can be but are not limited to charts, graphs, photos, videos, models, demonstrations, public participation, etc. Let your imagination be your guide.

All exhibitors must register their displays and/or demonstrations at the Livestock Office by noon on First Monday of the fair. All exhibits need to be displayed daily from the First Monday of the fair thru Labor Day. For exhibitors arriving on Tuesday, all displays need to be displayed beginning 9am Wednesday morning.

There are 2 categories, Open and 4-H. 4-Hers may enter in either category. Entries are limited to one entry per exhibitor.

	<b>1<sup>st</sup></b>	<b>2<sup>nd</sup></b>	<b>3<sup>rd</sup></b>	<b>4<sup>th</sup></b>	<b>5<sup>th</sup></b>	<b>6<sup>th</sup></b>	<b>7<sup>th</sup></b>	<b>8<sup>th</sup></b>
<b>OPEN</b>	<b>\$400.00</b>	<b>\$300.00</b>	<b>\$200.00</b>	<b>\$100.00</b>	<b>\$75.00</b>	<b>\$50.00</b>	<b>\$50.00</b>	<b>\$50.00</b>
<b>4-H</b>	<b>\$400.00</b>	<b>\$300.00</b>	<b>\$200.00</b>	<b>\$100.00</b>	<b>\$75.00</b>	<b>\$50.00</b>	<b>\$50.00</b>	<b>\$50.00</b>

Exhibits will be judged on factual content, theme, visual appeal and knowledgeable information to the public.

Judges are not obligated to award a premium if an entry is deemed to be of insufficient quality or substance. The decision of the judges will be final.

# 2016 Windsor Fair's Poster Contest Winner "Megan Shepherd"

I have been drawing since I can remember, which eventually turned into sketching and painting. My favorite source of inspiration is the family farm and forest where I grew up. I heard about the wonderful opportunity that Windsor fair had to offer, and was encouraged to enter by friends and family members. I really began to start thinking seriously about it, but was very hesitant to try painting. After all, I had never used the acrylic paints that were required. I knew I wanted to stay close to the agricultural feel of the Windsor fair, but I couldn't decide how to illustrate it. It wasn't until my husband suggested the barnyard stack, did I really get excited to give painting a shot! I feel so blessed to have my artwork featured as this year's poster illustration for my favorite fair!!!! I'd like to say thank you to all of those who encouraged me to enter, and also to the wonderful people on the Windsor Fair board for choosing me!

# GENERAL RULES PERTAINING TO WINDSOR FAIR

## *NO DOGS ALLOWED & FIREWORKS PROHIBITED*

### CAMPING

Dennis Strout, Sue Strout - 446-6461

Increasing numbers of campers, camp trailers and tents make it necessary to establish regulations pertaining to them. No inside camping will be allowed except by those who have livestock being exhibited and assigned stalls at Windsor Fair. All persons with livestock (except racehorses) must register with Curtis Prime or Gregg Baker.

Any camping unit without a properly assigned sticker will be removed. Persons who do not come under the above categories may apply for space for camper at the camper office in the North parking lot. The fairgrounds are closed to the public from midnight until 7:00 A.M. daily.

### AWARD COMMITTEES

Award Committees will not award premiums unless the animal or article is worthy of it, and where there is no competition may withhold the first, and award second or third according to the merit of the exhibit.

Award Committees are instructed to recommend gratuities on any exhibit of special merit, not named in the list, which will be paid approved by the Trustees and the funds of the Society will permit. When two or more exhibits in the hall, of the same class, are so evenly balanced that the committee is unable to decide which is the best, the manner in which it is shown may be considered and the preference given to that which is displayed in the most tasteful and attractive manner.

Members of the Award Committee will be given tickets (on day of service only). All regular officers of the Society, employees, exhibitors of livestock, owners of racehorses, drivers and grooms, may be issued free tickets.

### GROUNDS

For concession space or privileges of selling on or near the premises, apply to Tim & Martha Chase, 549-5016, Whitefield, ME 04353.

Ground rent will be payable when space is engaged.

Windsor Fair will not be responsible for any injuries to persons or property.

Special care will be taken to preserve safety of all articles or stock on exhibition, but Windsor Fair will not be responsible for any loss or damage that may occur.

For program and premium list, or other information, apply to the Sec., Dennis Frank Reed, Jefferson.

Absolutely no vehicle traffic will be allowed in the concession and midway areas after 10:00 A.M. daily. An area will be designated for the purpose of parking food and beverage delivery trucks that supply concessionaires.

The only exception to this vehicle traffic regulation will be emergency and maintenance vehicles and other authorized vehicles accompanied by an officer. The road leading from the middle gate into the fairgrounds shall be exempt from this regulation.

No dogs will be allowed on the fairgrounds from Aug. 1<sup>st</sup> through the end of Windsor Fair.

No bicycle, motorcycle, motor scooter or other such vehicle may be operated on the fairgrounds during the Windsor Fair. No skateboards will be allowed during the fair.

### ANIMAL DEPARTMENT AND GENERAL RULES

#### **Must Show Proof of \$1,000,000 Liability Insurance**

Superintendent of Dairy, Beef, Sheep & Goats

Curtis Prime, 168 Leighton Rd., Augusta, Maine 04330, Tel. 242-3341

Asst. Carol Davis, 491-7893 Dana Prime, 446-3570

Linda Prime, Tammy Farrington - Livestock clerks

Cattle stalls and sheep pens will be reserved on a first come, first-served basis. For this reason, it is important that exhibitors notify Curtis Prime, Superintendent of Livestock, at above address, as early as possible with the number of animals they intend to exhibit, within the limits set by this catalog. All such entries must be received prior to Wednesday before the start of the fair.

The management reserves the right to interpret any and all rules and statements in this book.

Each exhibitor will be required to furnish his Social Security number to the Livestock Superintendent's Office.

**ALL DAIRY, BEEF and SHEEP** must be in their places Tuesday, of the Fair by 12 Noon, and **remain until 5 P.M. Monday.**

Entries **MUST** be made at the Livestock Office prior to the show and no later than the day before the show. Absolutely no changes will be made in entries at the Show Arena.

Passes. Each exhibitor will be entitled to one pass and if showing five or more cattle, or twenty sheep or goats, a helper's pass may be issued.

All Beef, Dairy, and Sheep entered must present at the time of entry, and on the request of proper officials, a certificate, showing name, age, number, sire and dam, issued by the breed association. Papers may be requested to be shown in any class at time of judging.

All Beef, Dairy, and Sheep must be owned and recorded in the name of the exhibitor at least 30 days before the opening day of this Fair. All animals must be recorded with their respective breed associations.

The management reserves the right to accept or reject any entry made. The premium list having the approval of the Board of Trustees, further changes or awards will not be made without their consent.

Dairy, Beef, and Sheep, each exhibitor limited to not over two premiums in any individual class or group entry. All animals to compete for herd or group premiums must first be entered for single premiums

Inferior animals are not desired and shall receive no premium, or only such premium as shall be deemed worthy by the judges.

No dehorned oxen or steers may be shown.

**Refers to all Livestock exhibits.** Must show *certificate of insurance* of at least \$1,000,000 liability. All livestock entries must include the Social Security numbers and the mailing address of the exhibitors.

The Association is not responsible for any loss by fire or theft. The Fair will not be responsible for loss or damage from any cause, and animals are entered at owner's risk.

State Veterinarians and other Officials shall have the right to examine all animals on the grounds for infectious disease at any time regardless of whether owner or attendant is present.

**No interference** with any judges, State Veterinarian or State Official will be allowed when these men are discharging their duties. Any interference by the exhibitor or their attendants shall make these exhibitors liable to be suspended from the privileges of this fair by the Livestock Superintendents and forfeit all prize money. This will be enforced in both Open and 4-H classes.

**Health Requirements:** Livestock and poultry offered for show or exhibition shall be free from signs of infectious or contagious disease. In addition, all livestock and poultry originating outside the State of Maine must meet requirements for entry into the State. (Permits are required to import cattle, sheep, goats, swine, hatching eggs and poultry. Equines must have an official certificate of negative six-month Coggins test. For details contact interstate clerk at 207-287-3701.) Failure to comply with these State regulations may result in exclusion or expulsion from the show or such other action as the Director of the Division of Poultry and Livestock Production may direct.

In spite of efforts by the Department of Agriculture, the Fair Officials, and the expertise of exhibitors the potential for exposure to disease exists. Therefore it is strongly recommended that exhibitors protect their flocks and herds by (1) appropriate vaccinations of show stock against contagious diseases under supervision of a veterinarian and (2) an isolation period before re-introduction to the home flock or herd.

In addition to the general requirements the following specific requirements will be enforced:

**Cattle** - warts will be classified as an infectious disease. Exception: 4-H Club slaughter steers with warts may show at fairs at which they are sold immediately for slaughter, providing they are stabled in an area satisfactory to the Commissioner or his agent, and that no other cattle shall be housed in this area until it has been cleaned and disinfected.

**Horses** - The Commissioner shall require a negative Coggins test, taken within 36 months, on all horses raced, exhibited or stabled on racetracks or fairgrounds where other horses are being raced, exhibited or stabled.

The person or persons in charge of race meets, exhibitions, stables on race tracks or fairgrounds where horses are being raced, exhibited, or stabled shall ascertain that a copy of the official test accompanies each equine and such reports shall be available for inspection by an agent of the Commissioner of Agriculture upon request. Failure to furnish such reports shall exclude equines from events.

**Swine** - Swine originating in Maine shall be from herds having an official State of Maine validation. Breeding stock six months old or older must be on record as having an official State of Maine validation. Breeding stock six months old or older must be on record for having been tested for the current validation period or, if purchased by owner after regular test, being tested as for import into Maine.

Market hogs and feeder pigs, since they are usually six months and under, need not be tested if originating on owner's farm from validated stock. All swine must be permanently identified.

**Poultry** - All poultry shall originate from flocks that have an official Pullorum-typhoid clean rating.

## **CENTRAL MAINE BIRD FANCIERS CLUB (HOW WE CAME ABOUT)**

By: Austin J. Brann Sr.

In the early 1980's when Forrest Hooper and I traveled all over the New England area to shows and looking for fancy poultry, we talked about trying to get clubs started in the four comers of the state. (North, South, East and West). At about that time, the Northern New England Bird Fanciers were holding shows and meetings in the Farmington, Maine area. We then talked about the Central Maine and coastal areas, because many of the poultry fanciers thought it was too far to drive from Belfast, Rockland, Waldoboro, and many other central and coastal towns.

In 1984 we asked the Windsor Fair officials if we could set up a display on the grounds during the fair. They told us some of the horses were leaving on Thursday, and we could use two open stalls on Friday, Saturday, Sunday and Monday. We set up a nice display and got a lot of attention. During this time at the fair we contacted several poultry fanciers and with Forrest spreading the word at the Feed Store and both of us talking it up with others around the area, we had our first meeting in the fall of '84. By spring of '85 things were starting to take shape. Our members came together and worked hard and used their individual talents to set up the "Central Maine Bird Fanciers". Norm Rau and others set up the by-laws that are used to this day.

In the spring of '85 we had a basket show in Jefferson with the help of Bob Teel, who found us a hall. We also had a meeting at the Al Green Farm and held fundraisers at the Union Fair Grounds. Our meetings are presently held on a monthly basis in the Grange Hall in Washington, Maine.

In the fall of '85 we held our first "big" show in a tent at the Windsor Fair. The show was such a success that the Fair decided to build a poultry building in 1986. We out-grew this building and in the late '90's the fair built a beautiful new building and we are proud to fill it with a quality show every year for the Fair.

The hard work of all of our members over the years has made the Central Maine Bird Fanciers grow to maybe the largest and best club in New England.

I would like to name all of the members that have worked so hard to make our club such a success, but I can't remember all who have come and gone over the years. We continue to have new members join us also. If you look in the Historian book of the Club that Ray Canning brings to the meetings, you will be able to see most of the names and their contributions.

Thanks to all of our members for their hard work and contributions!

(Forrest) and Austin

# DEPARTMENT 16 – 2016, 18th GIANT PUMPKIN/SQUASH WEIGH-IN CONTEST

Alan Turner, 117 Sampson Road, Windsor, Me 04363. 549-7280  
FIRST SUNDAY OF THE FAIR

## RULES and REGULATIONS

Based on the Rules and Regulations of the New England Giant Pumpkin Growers Association and the Ottawa-St. Lawrence Growers.

Fruit shall be grown in the State of Maine.

Pumpkin/squash must be grown and cared for by the exhibitor.

Exhibitor can only enter one specimen per class and there can be no more than three entries per family or household per division.

Specimens must be sound healthy and undamaged. Entries must be free of rot, chemical residue (fungicides, holes/cracks through to the cavity and serious soft spots). This is a subjective matter for the judges to decide. We include the term “serious” before soft spots; because some pumpkins will exhibit minor soft spots which in no way compromises the soundness of the pumpkin.

No foreign material is permitted to be included in the weighing. The vine must be trimmed to one inch from the stem of the fruit. The judges reserve the right to fully inspect each specimen before the weigh-in. Refusal to allow the inspection of the entry will cause said entry to be disqualified.

Competition will consist of two divisions: (a) adult; (b) children – 12 years and under, with three classes in each division:

- CLASSES:**
- 1) Giant Pumpkin – any fruit cream, yellow-to-orange in color. Minimum 75%.
  - 2) Giant Squash – any fruit green-to-gray in color.
  - 3) Old-Fashion Jack-O-Lantern Pumpkin.

Fruit will be accepted on the first Sunday of the Fair from 9 AM to 10 AM at the Agricultural Tent.

Fruit will be weighed on the first Sunday of the Fair as they come in.

All entries must remain on exhibit for the duration of Windsor Fair and may be picked up on Labor Day between 6:00 P.M. and 10:00 P.M.

Winner will be the biggest pumpkin or squash by natural weight.

All entries above 100 lbs. except Jack-O-Lanterns must arrive on a pallet for ease of handling for the Windsor Fair personnel.

For further information, contact:

Joseph Gaboury, 207-685-9446 and Edwin Pierpont, 468 E Pond Rd., Jefferson, ME 04348, 207-215-5049.
