

DEDICATION

James W. Tracy
3/2/1937 – 12/8/2022

It is with a heavy heart that all of us at Windsor Fair announce the passing of our beloved Treasurer James Tracy on December 8, 2022.

Jim became involved with Windsor Fair nearly sixty years ago and was assistant to the Treasurer for many years and then Treasurer. He became a Trustee in 1984. He loved harness racing and for several years he was a Commissioner on the Maine State Harness Racing Board.

Jim certainly played a major role in keeping the finance of our fair under control and helped guide us to becoming one of the premier fairs in Maine. He will be sorely missed and never forgotten.

PRESIDENT'S MESSAGE 2023

Windsor Fair had one of the best years ever in 2022 despite being rained out on Labor Day. We fully anticipate 2023 to be as good as we continue to provide a wide variety of attractions with our focus always on agriculture.

Our main project this year will be to update our lighting and heating systems. The maintenance crew will also be using a lot of paint as they continue to do a great job in maintaining our grounds.

We look forward to another great year in 2023 and hope to see you all there. Thank you for your continued support.

AWARD COMMITTEES

Award Committees will not award premiums unless the animal or article is worthy of it, and where there is no competition may withhold the first, and award second or third according to the merit of the exhibit.

Award Committees are instructed to recommend gratuities on any exhibit of special merit, not named in the list, which will be paid approved by the Trustees and the funds of the Society will permit. When two or more exhibits in the hall, of the same class, are so evenly balanced that the committee is unable to decide which is the best, the manner in which it is shown may be considered and the preference given to that which is displayed in the most tasteful and attractive manner.

Members of the Award Committee will be given tickets (on day of service only). All regular officers of the Society, employees, exhibitors of livestock, owners of racehorses, drivers and grooms, may be issued free tickets.

Any interference by the exhibitor or their attendants shall make these exhibitors liable to be suspended from the privileges of this fair, by the Livestock Superintendents and forfeit all prize money. This will be enforced in both Open and youth classes.

Health Requirements: Livestock and poultry offered for show or exhibition shall be free from signs of infectious or contagious disease. In addition, all livestock and poultry originating outside the State of Maine must meet requirements for entry into the State. (Permits are required to import cattle, sheep, goats, swine, hatching eggs and poultry. Equines must have an official certificate of negative six-month Coggins test. For details contact interstate clerk at 207-287-3701.) Failure to comply with these State regulations may result in exclusion or expulsion from the show or such other action as the Director of the Division of Poultry and Livestock Production may direct.

In spite of efforts by the Department of Agriculture and the fair officials, and the expertise of exhibitors the potential for exposure to disease exists. Therefore, it is strongly recommended that exhibitors protect their flocks and herds by (1) appropriate vaccinations of show stock against contagious diseases under supervision of a veterinarian and (2) an isolation period before re-introduction to the home flock or herd.

In addition to the general requirements the following specific requirements will be enforced:

Cattle - warts will be classified as an infectious disease

Horses - The Commissioner shall require a negative Coggins test, taken within 36 months, on all horses raced, exhibited or stabled on racetracks or fairgrounds where other horses are being raced, exhibited or stabled.

The person or persons in charge of race meets, exhibitions, stables on race tracks or fairgrounds where horses are being raced, exhibited, or stabled shall ascertain that a copy of the official test accompanies each equine and such reports shall be available for inspection by an agent of the Commissioner of Agriculture upon request. Failure to furnish such reports shall exclude equines from events.

Swine - Swine originating in Maine shall be from herds having an official State of Maine validation. Breeding stock six months old or older must be on record as having an official State of Maine validation. Breeding stock six months old or older must be on record for having been tested for the current validation period or, if purchased by owner after regular test, being tested as for import into Maine.

Market hogs and feeder pigs, since they are usually six months and under, need not be tested if originating on owner's farm from validated stock. All swine must be permanently identified.

Poultry - All poultry shall originate from flocks that have an official Pullorum-typhoid clean rating.

Hand washing stations are provided in the livestock area and their use is recommended for your protection.

CLASS H – Lot 1: BEST TEAMSTER 12 YEARS OLD & UNDER

1st Place pays \$15.00 all others \$14.00

Farmers Steer & Ox Pulling Rules

1. All teams are required to weigh in prior to the official start of the farmers pull. At which time, teamsters must show proof of liability insurance of no less than \$1,000,000.
2. Breakdown of weight classes will be determined by the superintendent of the pull. There will be a minimum weight of 700 lbs. per team. (A suggestion is to ideally have 3 classes) Percentage of load to be determined by the superintendent, however the weight of the drag is to be included.
3. All teams and teamsters have to be ready at announced time of the event. All classes are officially closed ½ hour before published pull time.
4. There will be light use of stick to get teams started. When turning, a light use of the stick will be allowed. A light stick may be used if resting animals need to be prompted to restart. There will be light use of the stick during the actual pulling process.
5. A goad stick has to be wooden only. They need to be no longer than 4 feet long and ½ inch in diameter on the small end of the stick. The stick may be tapered. No weighted sticks allowed. Chains must cover up to the hook.
6. Teamsters may have one helper to hook the chain onto the drag. The helper may follow behind the drag. The helper is not allowed to have a stick. The helper must remain quiet during the pull.
7. Teams must remain hooked to the drag at all times. If unhooked intentionally, then the team will be pinned at that spot. That is a completed pull.
8. Time is to be limited to 3 minutes. Time will start when drag is moved.
9. When measuring, it must be in a straight line to the nearest point on the drag. The front of the drag must touch the line before making a turn. The drag must be turned more than ½ way or the back of the drag must be over the line to get a full-line measure.
10. If a breakdown occurs, the teamster may take the distance they have pulled thus far, or they may go to the end of the line and have a second try.
11. All teamsters are required to be dressed appropriately. They have to use proper language at all times. Any participant under the influence of alcohol or other substance will be disqualified. There is no drinking of any alcohol in or around the ring by any participant of the event.
12. Any animal that the superintendent feels are too thin or seem dehydrated will be disqualified. Animals with open sores or if they are lame will also be disqualified.
13. Any participants in the farmers pull must be show steers and oxen. Show steer or oxen are considered those that do farmer pulls only. Open teamsters or their teams are not allowed to pull in an open pull for a full calendar year (Jan. 1 to Dec. 31) before entering a farmer's pull. (Note: Open powder puff pulls and open youth class pulls are considered open pulling). **No open pulled teams or teamsters will be allowed to participate in the farmers pulls.**
14. The 25-foot rule will be in effect. Must pull 25 feet in one minute.
15. Men, woman and youth (no younger than 9 years of age as of January 1st of current year) will be eligible to pull in the farmers pull.
16. There will be no halters, or ropes allowed on the steers or oxen in the ring.
17. Running with a team will not be permitted.
18. Cattle should be clean and presentable.
19. **Anyone** who does not abide by these rules will be disqualified.
20. These rules adopted April 26, 2009 by the "Farmer's Steer and Ox Club".

DEPARTMENT 16 – 23rd GIANT PUMPKIN/SQUASH WEIGH-IN CONTEST

Alan Turner, 117 Sampson Road, Windsor, Me 04363. (207)549-7280

FIRST SUNDAY OF THE FAIR

RULES and REGULATIONS

Based on the Rules and Regulations of the New England Giant Pumpkin Growers Association and the Ottawa-St. Lawrence Growers. Fruit shall be grown in the State of Maine. Pumpkin/squash must be grown and cared for by the exhibitor.

Exhibitor can only enter one specimen per class and there can be no more than three entries per family or household per division.

Specimens must be sound healthy and undamaged. Entries must be free of rot, chemical residue (fungicides, holes/cracks through to the cavity and serious soft spots). This is a subjective matter for the judges to decide. We include the term “serious” before soft spots; because some pumpkins will exhibit minor soft spots which in no way compromises the soundness of the pumpkin.

No foreign material is permitted to be included in the weighing. The vine must be trimmed to one inch from the stem of the fruit. The judges reserve the right to fully inspect each specimen before the weigh-in. Refusal to allow the inspection of the entry will cause said entry to be disqualified.

Competition will consist of two divisions: (a) adult; (b) children – 12 years and under, with three classes in each division:

- CLASSES:**
- 1) Giant Pumpkin – any fruit cream, yellow-to-orange in color. Minimum 75%.
 - 2) Giant Squash – any fruit green-to-gray in color.
 - 3) Old-Fashion Jack-O-Lantern Pumpkin.

Fruit will be accepted on the first Sunday of the Fair from 9 AM to 10 AM at the Agricultural Tent.

Fruit will be weighed on the first Sunday of the Fair as they come in.

All entries must remain on exhibit for the duration of Windsor Fair and may be picked up on Labor Day between 6:00 P.M. and 7:00 P.M.

Winner will be the biggest pumpkin or squash by natural weight.

All entries above 100 lbs. except Jack-O-Lanterns must arrive on a pallet for ease of handling for the Windsor Fair personnel.
